

Cookies Policy

Team Precision Public Company Limited

Dear Users of the Company's Website

Team Precision Public Company Limited and Affiliates (“**the Company**”) values and strives to protect your personal data and privacy. Nonetheless, in order for the Company to deliver the best quality services to you including a good user experience on the Company's Website at <https://www.teampcba.com> or any other online platforms, e.g., official LINE account, etc. (collectively referred to as “**Website**”), the Company may collect, use and/or disclose the Personal Data about your visit and your use of the Website (collectively referred to as “**Personal Data**”) by using cookies and/or other similar technologies when you visit the Website so that the Company is able to facilitate the use of the Website, improve the user experience and serve your specific needs. This Cookies Policy explains as following,

1. What are cookies?

Cookies are small text files that are stored on your computer or gadgets that connect to the internet, such as your smartphone or tablet, when you visit the Website, which typically record your Personal Data on the Websites such as name, address, e-mail, password, IP Address, phone number, search terms and other user settings (e.g., language).

Cookies help the Company to understand how the Website is being used and to further develop and improve the user experience in order to provide service that meets your needs by recording cookies settings which help to collect your user settings to make your next visit easier and precisely respond to your needs.

2. What types of cookies does the Company use?

The Company may use the following cookies when you visit the Website:

- **Strictly Necessary Cookies:** These cookies are essential for the Website, for its features to work properly and to help ensure safety for the usage of the Website. However, you cannot disable these types of cookies through the system of our Website.
- **Site Functionality Cookies:** These cookies allow you to surf the Website and use the Website features such as registration, login, etc. These cookies are set to recognize yourself when you return to the Website. This will allow us to customize the content for you, including tailor the Website to meet your needs and remember your user setting preferences, such as the language, region, or font size you choose to use on the Website. If you do not allow these cookies, some or all of the relevant services may not work at full efficiency.
- **Site Analytical / Performance Cookies:** These cookies help us to remember and count the number of Website visitors, determine the behavior of users who visit the Website and improve the quality and appropriateness of the Website. These cookies also help us to gather statistical data on access methods and Website traffic behavior which helps improve the functionality of the Website by making it easier for users to find what they are looking for and helps us to understand the interests of the Website users. If you do not allow these cookies, the Company will not know when you visited the Website and will not be able to verify the performance of the Website.
- **Targeting Cookies:** will collect various data which may include your Personal Data and create a profile about you so that the Company can analyze and present the content products/services and/or advertisements suitable for your interests. If you do not consent to our use of these types of cookies, you may receive general information and advertisements that are not relevant to your interests.

3. Third-Party Cookies

The Website uses cookies by third parties. The nature of use and settings are subject to cookies in Article 2. You will not be able to choose to set specific use of cookies by third parties on this website, such as advertising

networks, any other company that involved in various work features such as videos, maps and social media, and other third-party website providers such as website traffic analysis services, etc.

The Company has no control over the third party's use of that information. Please study the Privacy Notice and Cookie Policy on third party websites to understand how third parties may use your Personal Data

4. Managing cookies

You can manage cookies through changing your cookies settings by accepting, rejecting, or deleting cookies that are set on the Website. You can do so by selecting your cookies settings or your browser settings to, e.g., prohibit the installation of cookies on your device by disabling such cookies. However, setting such cookies may affect the efficiency of the Website since you may not be able to use some parts of the Website, or the Company may not be able to collect information about your personal settings. In addition, it may affect the display of the Website. This may prevent the results from being displayed properly.

5. Privacy notice

If you would like to know more about the collection, use and/or disclosure of your Personal Data, please visit our Privacy Policy Notice published on the Website. This Cookies Policy constitutes part of our Privacy Policy Notice.

6. Modification of Cookies Policy

The Company reserve the right to change and revise this Cookies Policy. Please visit this Website periodically to review the Cookies Policy as well as other information that will be updated on the Website so that you are up to date. The Company may notify you of any changes via your provided e-mail address.

7. Handling of complaints or inquiries

You can contact us to make a complaint or inquiries about the collection, use and/or disclosure of your Personal Data via following channel,
